SHATAYUSHI

INTRODUCTION

SHATAYUSHI IONS AND RETAIL PRIVATE LIMITED is a company working on a wonderful scientific philosophy.

Food, air, water and fuel are the basic needs of human beings, for fulfilling those needs, man spends 80% of his income and yet he does not fulfil those things properly and well.

The best business based on scientific products that you will never find in the history of direct selling, is bringing a new and unique concept to people through a company that not only fulfils basic needs but also

SHATAYUSHI IONS AND RETAIL PRIVATE LIMITED a company is working under the valuable guidance of **Dr. Hanumant Sawant (MD)**, and **Hon Mr. M. A. Kalyankar (MD)**.

How to Start a Business ..

If you are also looking for a reputed product based company then you are going to get a great opportunity.

The best concept in direct selling company is no liability of any kind, no risk.

You can become Distributer 100% free of cost.

Your minimum requisite First purchase Assist you in becoming a **Shatayushi Distributer (S.D)**
